

FEATURES

Nursal Large is a nursery feed with a dedicated formula for salmonids cultured under intensive conditions, where nutrition and water quality are crucial parameters to ensure a healthy growth of juveniles. Nursal Large is produced by an innovative technology of cold extrusion, which guarantees a high water stability. Nursal Large is a functional feed formulated with ADM Life Defense, a concept designed to protect fish juveniles during stress conditions.

BENEFITS

- Preventing denaturation of essential nutrients.
- Homogeneous particle size facilitating the consumption by the fish.
- Lower leaching preserving the water quality in the nursery tanks.
- High palatability.

ADD FRONT LABEL

COMPOSITION

Nutrient	Unit	Value	Nutrient	Unit	Value
Moisture	%	8	Vitamin A	IU/kg	25.000
Crude Protein	%	52	Vitamin C	ppm	925
Crude Fat	%	20	Vitamin D3	IU/kg	2.000
Ash	%	10	Vitamin E	IU/kg	300
Crude Fiber	%	1	n-3 HUFA	mg/g	28
Calcium	%	2,2	DHA	mg/g	10
Sodium	%	0,5	EPA	mg/g	9
Phosphorous	%	1,8			

INGREDIENTS

Fish meal, soybean meal, pea protein, fish oil, soy lecithin, fish meal hydrolysate.

INSTRUCTIONS OF USE

Product based on natural ingredients. Variation in color is possible but does not affect the performance.

Divide into frequent times per day. Spread all over the tank.

Sizes: 1,5 mm; 2,0 mm; 2,5 mm; 3,0 mm

**Adjust feed amounts according to local conditions. For more information, contact your local ADM Aquaculture expert.*

PACKAGING

20 kg bags

STORAGE CONDITIONS

Store in a dry and cool place (best at 4 °C, max. 20 °C).

Shelf life: 2 years after packaging

ADM IS YOUR GLOBAL LEADER IN ANIMAL NUTRITION

We are dedicated to enabling sustainable growth. Growth that benefits our customers, the world's population and this planet on which we live. We are One ADM Team working across a unique vertically integrated portfolio, providing exceptional levels of customer service and experience as we work together to address the three main challenges that our customers face: health through nutrition, performance & quality, and sustainability.
